

Angier-Driver Neighborhood Commercial Area Streetscape Project

Public Meeting

On June 13, 2011, a neighborhood meeting was held from 6 PM until 7:30 PM in the Angier Avenue Baptist Church located at 2101 Angier Avenue. At the meeting City of Durham representatives described the preliminary project area, planned improvements, budget and schedule. Those in attendance were invited to comment.

Comments:

- Keep local businesses informed during construction
- Manage construction so local businesses remain open
- Provide grants to help fund building improvements
- Establish design guidelines for building improvements
- Improve as many streets in the area as possible
- Hire locals as part of the project workforce
- Construct a public parking lot near Angier-Driver
- Looks great...make it happen
- Remove all the utility poles and overhead wires
- Work with church on approval of the civic space
- Make sure that all improvements are maintained
- Look for opportunities to install more street trees
